COURSE DESCRIPTION

Planning and agricultural development; agricultural planning in Nigeria; steps in agric planning; problems of agric planning; project definition; important aspects of project preparation and analysis. Project cycle; project cost and benefit; 'with' and 'without' comparison of benefit and cost; classification of cost and benefit; pricing project cost and benefit; tools of project analysis; time value of money; arithmetic of project analysis (NPV, B/C ratio, IRR); sensitivity analysis: treatment of uncertainty; case studies- prep of feasibility reports

COURSE CONTENT/GOAL

Agricultural project planning is core to agricultural development especially in an agrarian economy like Nigeria. The application of sound economics and arithmetic to project preparation facilitates project analysis. The inculcation of these knowledge forms the rationale for this course. This course is designed to expose students to the principles involved in agricultural project planning using a world view that is biblically and faith based.

COURSE OBJECTIVES

At the end of the course, students should be able to:

1. Identify the steps involved in agric planning, prospects and problems
2. Classify project costs and benefits
3. Prepare the feasibility report for a chosen project.

REQUIRED TEXTBOOKS/JOURNALS

Materials (text books and journals):

COURSE REQUIREMENTS:

CLASS ATTENDANCE: - "Every student is required to attend classes regularly and punctually, unless ill or prevented by some recognized emergency. Students who absent themselves from class for more than three weeks during the semester shall merit an F grade. Authorized leave of absence from campus does not excuse the student from classes, or relieve the student of the required course work' (*BU Academic Bulletin 2012-2015 p.13*).

PARTICIPATION: -Students are to actively engage in topic discussion and sharing of ideas in class.

TARDINESS/CONDUCT OF STUDENTS IN CLASS: - Lateness to class is unacceptable; students are not allowed to operate their cell phones, iPods and other electronic mobile gargets during classes, except with the permission of the teacher. Eating and chewing off bubble gums and drinking (water exempted) is also not allowed except with the permission of the teacher. Very importantly, students are required to dress in compliance with the university dress code and wear their identity cards while in class.

SHORT DEVOTIONALS/PRAYER: - Spiritual nurture is a part of whole person development, and team spirit is our strength; thus, every student is required to participate in the devotional exercise and prayer in class.

SUBMISSION OF ASSIGNMENT: The teacher will give directive for submission of assignment.

LATE ASSIGNMENTS: Assignments could be turned in earlier, but not later than the deadline set by the teacher.

GUIDELINE FOR WRITTEN WORK: Guidelines will be set for specific assignments.

ACADEMIC INTEGRITY/HONESTY: “Babcock University has a zero tolerance for any form of academic dishonesty. Morally and spiritually, the institution is committed to scholastic integrity. Consequently, both students and staff are to maintain high, ethical Christian levels of honesty. Transparent honest behavior is expected of every student in all spheres of life. Academic dishonesty include such things as plagiarism, unauthorized use of notes or textbooks on quizzes and examinations, copying or spying the test or paper of another student (formal or take-home), talking to another student during examinations. Academic matter would automatically results in a failing grade for the examination, and suspension, or outright dismissal from the university. Academic dishonesty issues are referred to SPEAM (Senate Panel on Examination and Academic Misconduct) who investigates and makes recommendations to Senate. Penalties for examination and academic misconduct are spelt out in the *student’s handbook* and in other regulations as published from time to time” (BU Academic Bulletin2012-2015 p.18).

GRIEVANCEPROCEDURE

“Students who believe that their academic rights have been infringed upon or that they have been unjustly treated with respect to their academic program are entitled to fair and impartial consideration of their cases. They should do the following to effect a solution:

1. Present their case to the teacher(s) concerned
2. If necessary, discuss the problem with the Head of Department
3. If agreement is not reached at this level, submit the matter to the School Dean
4. Finally, ask for a review of the case by the Grievance Committee
5. A fee is charged for remarking of scripts. If a student’s grievance is upheld after an external examiner has remarked the script, the grade would be credited to the student. The lecturer will be given a letter of reprimand and will be asked to refund the fees to the student. If the student’s grievance is not sustained, the student will be given a letter of reprimand and the original grade retained” (BU Academic Bulletin2012-2015 p.18).
