## **Programme of Parallel Sessions**

The programme is subject to change at short notice. Any changes will be listed at the conference registration desk and announced at the relevant venue.

## **Guidance for Presenters and Chairs**

We hope for the cooperation of everyone to ensure the conference runs smoothly. All parallel sessions run for two (2) hours. A standard parallel session will include five papers. Each presentation is planned to take 15minutes each. The two hour session includes 30 minutes for questions and responses. Please arrive at each session promptly. To enable other delegates to engage with your research, please keep to time limits established by the chair of your session to allow for robust discussion.

For the use of session chairs, there will be a “traffic light system” of laminated coloured cards. Speakers will be shown the green cards when there are five minutes remaining, a yellow card when there are two minutes left, and a red card when time is up. All participates should kindly cooperate. No extra time is allowed.

## **Audio Visual Facilities**

All rooms will be provided with a digital projector. Please arrive early in the room in which you are presenting to load your power point. Technical support staff will be on duty throughout the conference.
